

2010–2011 ANNUAL REPORT

# Educational Foundation of Orinda

# Thank you Orinda!

from Joan Kiekhaefer, *EFO President 2009–2012*

The Orinda community has once again demonstrated its strong support for excellence in local public schools helping EFO raise \$1.5 million in 2010-2011. Thank you for investing in quality education which makes our community a very desirable place to live and work.

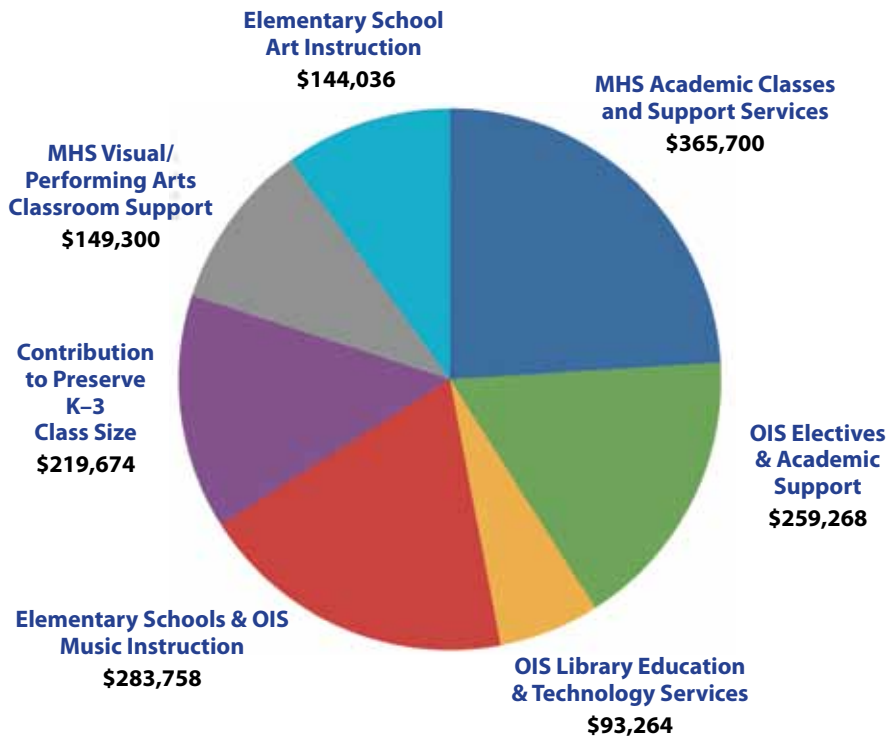

With the funds donated this year, EFO enabled the elementary schools to retain art and music programs, provided a varied mix of electives and foreign language classes at both OIS and Miramonte, and reduced the number of students in all English classes at Miramonte. You will see a full list of all of the classes and programs to be funded this year by EFO on the following pages. Additionally in 2011-2012, EFO is pleased to provide all funding for visual and performing arts activities at Miramonte.

I would like to recognize Chip and Carolyn Herman for their leadership in organizing the Orinda Classic Car Show and Dancing with the Cars dinner for the last seven years. This is a great community event that also generates a significant financial benefit for EFO.

EFO could not fulfill its mission without numerous dedicated and hard working board members and volunteers. Thank you for the countless hours devoted to ensuring that Orinda has top rated schools.

# EFO pledges \$1,515,000 for 2011–2012

EFO is important to students of all ages and at every Orinda school. Together, EFO, Parents' Clubs, and our local parcel tax will fund 32% of the K–8 Orinda schools budget and 24% of the Miramonte budget in 2011–2012. EFO relies on all of us to help maintain excellence in Orinda schools.

# EFO Funds Del Rey, Glorietta, Sleepy Hollow, and Wagner Ranch

Music and art are flourishing in our schools and our children are thriving in smaller classes.

EFO provides 100% of the funding of Art, Choral and Instrumental Music classes in Orinda's elementary schools. Our elementary school students receive broad exposure to art history, theory and vocabulary, and experience a variety of art materials, tools and media. Music teachers work with students to develop their interest in singing and, if they choose, playing an instrument.

In partnership with Parents' Clubs, EFO dollars support K-3 classroom size reduction, ensuring that no K-3 class has more than 20 students. Smaller class size means teachers have more time per student and gives them extra time to focus on individual needs. This focus on small class size distinguishes Orinda schools from most California elementary schools.

**“Art encourages imagination and promotes originality. It exercises the right brain, trains the eye, and fosters creative expression. Children who learn to appreciate art do better in every phase of their lives. Thanks to EFO for making this possible.”**

—Linda Kam, Wagner Ranch Art Teacher

**“I was amazed by how much the kids learned in Band in such a short period of time each week. The All-Schools Concert in the spring was a fun evening with wonderful performances from all ages. I am grateful to Mr. Uyeno and EFO for inspiring in my child an enthusiasm for music and playing an instrument. Thank you!”**

—Carrie Hillen, Parent at Sleepy Hollow

# EFO Funds Orinda Intermediate School

Students are exploring their talents with electives at OIS.

EFO funding is essential to providing the excellent educational experience offered at Orinda Intermediate School. This year, EFO will fund 17 elective sections at OIS, including French and Spanish, Public Speaking, Debate, Drama, Video Production, Woodshop and Art. EFO fully funds the Instrumental Music Program, which includes the Jazz Band, Concert Band, Bulldog Band and String Orchestra. The OIS librarian's salary, as well as technology, library materials, and equipment, are also made possible by your gift to EFO.

**“The OIS library program helps students develop 21st century skills in information literacy and technology, as well as supporting the students’ ongoing love of literature and reading. Throughout the day, the library hosts students for reading, studying, collaborating, or simply exploring their interests, using a variety of media. After hours, the OIS virtual library continues to support them by providing a variety of online resources.”**

— Pat Sokalski, OIS Librarian

**“The benefit of critical thinking skills is obvious, but, an equally important skill, is learning to listen. In Debate, our students must respond to every point made by the other side. They must then weigh the impacts of both sides in order to declare victory. It’s really rewarding to watch kids suddenly listen intently to other speakers, take notes on every argument in the debate, and then respond point-by-point. This is a skill that will benefit them throughout their lives.”**

—Terry Eubanks, OIS Public Speaking and Debate

# EFO Funds Miramonte

## Today's students are becoming tomorrow's leaders.

Your gift to EFO continues to benefit our Orinda students throughout their high school years. EFO funding enables students to take advantage of smaller core academic classes and to pursue an array of electives, while preparing for college and life beyond Miramonte.

With a commitment of \$515,000 for 2011-2012, EFO remains the largest voluntary funding source at Miramonte. This year, EFO will fund five additional English class sections, enabling better student learning in smaller classes. EFO will also fund Mixed Chorus and Jazz Band, all of which would have been eliminated without EFO. Besides academic classes, EFO continues to support student programs, such as library and college counseling, and numerous electives.

EFO now provides 100% of the support for all Visual and Performing Arts (VPA) programs.

**“Small class sizes are especially powerful in English courses that require abstract and emotional reasoning. Literature inspires tough, ambiguous questions that need to be asked in a supportive, tight-knit environment where it’s okay to fail.”**

—David Beal, Miramonte Student, Class of 2011

**“The Foods Class, funded by EFO, along with all other vocational education classes, are indispensable to our students, our schools, and our communities. We strive to give students a marketable and employable skill-set that they can always fall back on no matter what post-high school direction they go.”**

—Beth Marks, Miramonte Foods
